1. The reissue oaths/declarations filed with this application are defective because they fail to contain a statement, either separately or combined, that all errors which are being corrected in the reissue application up to the time of filing of the oath/declaration arose without any deceptive intention on the part of the applicant. See 37 CFR 1.175 and MPEP § 1414.

The supplemental oath, filed 10-29-07, states that it does not cover errors of the prior declaration. The original oath/declaration does not contain a statement that the errors arose without any deceptive intent on the part of applicant. There is no clear statement that the errors identified in the original declaration arose without any deceptive intent on the part of applicant in the declarations.

2. Claims 1, 2, 7, 9 and 10 are rejected as being based upon defective reissue declarations under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the declarations is set forth in the discussion above in this Office action.
